The minimum order quantity is 3 sqm (sum of basic tiles and/or special items, decorative tiles) or 180 €

We charge 10% surcharge for small quantities for a total amount of basic tiles up to and including 5 sqm.

The prices indicated above are prices per square meter (basic tiles) or per piece (special items)

We grant a discount of 10 % for the purchase of entire boxes of special items (prices = pieces) on the indicated price

The product descriptions and specifications of the manufacturer, as described in the EQUIPE catalogue or under www.equipeceramicas.com, are applicable. Modifications of the price codes may occur after printing the catalogue, Therefore there may be discrepancies between the real price code and the ones published in the catalogue

The delivery time is usually approx. two to three weeks, sometimes longer, if the tiles have to be produced
